MIGHT'S
METROPOLITAN TORONTO

Directory of Householders, Occupants of Office Buildings and Other Business Places, Including a Complete Street and Avenue Guide

1971

INCLUDING: CITY OF TORONTO AND THE BOROUGHS OF EAST YORK, ETOBICOKE, NORTH YORK, SCARBOROUGH AND YORK

COPYRIGHT, 1971, BY MIGHT DIRECTORIES LIMITED

In the following list the avenues and streets are arranged in alphabetical order, the intersecting streets being shown. The number of each building on the street is given in numerical order, and opposite the number is placed the name of the occupants or houseowner or tenant. In the business blocks containing offices the occupants are shown by room numbers where practicable, in apartment homes the number denotes the number of the apartment. The profession or business of individuals or firms is given only at their respective places of business. To find occupations of others refer to Alphabetical List of Names.

The symbol ® following a householder's name indicates that we have received information during the canvas that the house is owned by some member of the family, but as the publisher cannot and does not guarantee the correctness of the information furnished, nor the complete absence of mistakes. No responsibility for errors can be or is assumed, nor can the publisher furnish further information than that shown.

Telephone numbers, where obtainable are shown with street listings.

(This section includes some listings reading "No Return". In each case the Publishers tried diligently, by various means, to obtain the information for the occupants but were unsuccessful. First two personal calls were made by an enumerator; next, a post card was mailed and the telephone used when possible).

(The numerals that appear at right edge of columns, ahead of street descriptions and some street intersections, are merely for the guidance of the publishers, and have no other significance.)

THE FOLLOWING "POSTAL POINTERS" SHOULD BE NOTED:

(a) The postal zone number immediately follows the street name; for example ABBOTT AV 9. Mail in such instances would be addressed to "Abbott Avenue, Toronto 9".

(b) Where the street is in a Borough area the postal information will appear immediately after the borough abbreviation; for example ABERFOYLE CRES (Etob) 18 would indicate mail would be addressed to "Aberfoyle Cres., Toronto 18" while ABRAMS PL (Nth Y) WLD indicates "Abrams Pl., Willowdale, Ontario" should be used in addressing mail.

(c) Postal abbreviations (apart from postal zone numbers) used in these pages to indicate proper addressing are as follows:

DM — Don Mills, Ont.
DNV — Downsview, Ont.
EY — East York, Ont.
ETOB — Etobicoke, Ont.
ISL — Islington, Ont.
NY — North York, Ont.
RX — Rexdale, Ont.
SCAR — Scarborough, Ont.
WHL — West Hill, Ont.
WLD — Willowdale, Ont.
WST — Weston, Ont.
Y — York
